About us

LFSUSA.STORE is a company specialized in the commercialization of equipment for restaurants, in addition to being representatives of manufacturers to the food industry. Our clients can experience the quality of our personalized service. Contact us and receive the necessary support so that the purchase of your food equipment is a wise investment.

We're more than just an online retailer. Since 2015, we've created an innovative, easy-to-use website to meet the purchasing needs of businesses from all over the globe. LFSUSA.STORE, The Leading Distributor of Restaurant Supplies and Equipment

We have everything your business needs to function at its best. Over the years we have expanded our selection of commercial equipment and wholesale supplies to include healthcare, educational, food, beverage, office, parts, hotel, shipping, and industrial supplies. Our focus is your convenience – order online from your laptop, desktop, or smartphone 24 hours a day, 7 days a week. Our fast shipping, low prices, and outstanding customer service make Latam Food Service the best choice to meet all of your professional and food service supply needs.

Amazing Customer Service

Our personalized customer service helps you buy what you need without mistakes!

No Hidden Costs!

The prices you see on the site are the ones you pay for the equipment! No extra charges at delivery!

Free Shipping on All Orders

Get free shipping on all orders within the US and they'll arrive in 5-8 calendar days!

High Quality Content

We provide you with the relevant info you need to make the right purchasing decisions. Every one of our product descriptions is written by a dedicated content writer.

GLASS DOOR MERCHANDISER REFRIGERATORS

TECHNICAL DATA

Model Numbers	AM19	
Dimensions & Construction	Interior Capacity (cu/ft)	19,2
	Exterior Size WxDxH (inches)	27 x 33 1/2 x 83
	Interior Size WxDxH (inches)	22 3/8 x 27 3/4 x 61 1/2
	Exterior Construction	Black powder coated steel
	Interior Construction	Bright white powder coated aluminum
	Air Plenum	Full length for even air distribution
	Shelves	3 white epoxy coated wire
	Handle	ABS Plastic, recessed
	Glass Door	1 Dual Pane, ABS plastic frame, swinging
	Door Gasket	Tongue and groove, easy to clean & replace
	Hinges	Stainless steel
	Pilasters and Shelf Clips	Stainless steel
	Floor	Rounded, coved corners
	Casters	(2) Locking, (2) non-locking
	Refrigeration System	Temperature Range
Refrigeration System		Forced Air
Refrigerant		R290
Expansion Device		Capillary Tube
Defrost method		Automatic
Compressor Type		Hermetic compressor
Condenser Type		Air cooled, electrostatic coated copper tube
Evaporator Type		Air cooled, electrostatic coated copper tube
Electrical System	Humidity control	Hot gas condensation evaporation
	Power	115/60/1
	Plug	8 Ft NEMA 5-15P
	Horse Power	1/6
	Kilowatts per 24 Hours	1.7
Packaging & Shipping Info	Amperage	2.8
	Shipping Dimensions	
	Shipping Weight	
	Palletized	Yes, wood, front/back loading
	Material	Wood, card board, styrofoam, plastic wrap
Digital Temperature Controller	UPC GTIN	
	Digital Temperature Microprocessor	Precision temperature pre-set to 33°F to 41°F. Adjustable set-point, temperature differential, evaporator fan on/off cycles & air defrost cycles.
	Key Pad	Adjustable, tactile key pad
	Screen	2" blue LCD
Warranty	Water resistant	Yes
	Compressor	5 Years
	Parts	2 Years
Certifications	Labor	2 Year
	Application	ETL sanitation (conforms to NSF 7 Foodservice), ETL electrical (US and Canada)
		For Commercial Kitchens (not for residential use)
